Video Game Addiction Masterclass

A workshop for professionals who work with teens and young adults with autism.

Cam Adair shares his personal journey of overcoming his addiction to the gaming world. He also takes an evidence-based approach to help you identify those at risk, how to communicate effectively with young people, and what the practical strategies are to help them succeed in recovery.

Date: January 23, 2019

Time: 10am—4pm (lunch included)

Location: The Ability Hub (#300, 3820—24 Avenue NW)

Cost: \$75
