

NORTH AAFS

AAFS has some super exciting news to share... we are expanding to a **North location**! Our new location will be **3639 26 St NE, Calgary, AB T1Y 5E1**. Programming will start on September 3rd, and expand with specialized programs being introduced later in the fall!

The **After School** program runs Monday-Thursday from 3:00pm-6:00 pm each week for the entire duration of the school year (except holidays, Christmas Break, and Spring Break). The times for the After School program are flexible; parents are welcome to pick their child up whenever they wish.

Our **Clubhouse nights** are evenings spent hanging out with friends at the AAFS office. They're fun, they're unique, and they're always changing - though the one thing they all have in common is their goal of seeing traditionally solo activities turned into social opportunities. Clubhouse Nights occur on Thursdays, and are often themed to include some of our favourite activities such as movie nights, videogames night, arts/crafts night, lego & k'nex nights, etc.

NORTH AAFS

AAFS Friday is where we, as a group, go out into the community to enjoy all sorts of activities once a week on Friday afternoons. Activities include, but are not limited to; Movies at the theatre, Swimming, ClimbPark, Flying Squirrel and Holiday Parties! North AAFS Friday will take place on Friday afternoon-early evening this program will be running from 1:00-5:00 pm. With drop-off and pick-up being at the AAFS North Clubhouse.

VAULT is an acronym standing for Varied and Unique Life Training and is our adult day program. For those individuals who have graduated from school environments and are 18+ years, this is an ideal program. VAULT runs Monday-Friday 9:00am-3:00 pm and participants engage in a multitude of activities and vocational skills such as; cooking days, volunteering, errands and many other useful skills. Other programming includes music group, art group and Fun Fridays - a community outing as a group.
