

DO YOU WANT TO MAKE A SHORT FILM?

DO YOU WANT TO LEARN VIDEO EDITING, AUDIO & MULTIMEDIA SKILLS?

We are recruiting participants for the project: **Digital storytelling: An intervention model for inclusion and capacity building among youth with developmental disabilities.**

We are looking for youth who:

- self-identify as a person with a **developmental disability**
- are between the ages of **18-30**
- are facing a potential **change in school, work, and/or community living** in the next 12-24 months

to take part in a **digital story workshop** to understand their experiences facing life transitions.

Digital stories are short films. Participants use images, words, and music to create a 2-5 minute video about a life event. No previous video skills are needed.

The workshop includes five online sessions over a two-week period. Each session is two hours long. Workshops will take place between July 2021-October 2021, depending on enrolment.

YOU WILL RECEIVE A \$25 GIFT CARD IN APPRECIATION FOR YOUR TIME
