

UNIVERSITY OF
CALGARY

ARE YOU THE CAREGIVER OF AN AUTISTIC CHILD OR YOUTH (OR A CHILD OR YOUTH WITH AUTISM) IN ALBERTA?

We want to hear from you! Help us create sexual health education resources that are accessible, inclusive, and responsive to the needs of Autistic youth and their caregivers.

We are looking for:

- Parents, guardians, or family members
- 18 years of age or older
- Living in Alberta

What you will receive:

- An honorarium
- A chance to shape real-world resources for families like yours

What's involved:

- One-on-one interview OR small focus group (your choice)
- Conducted virtually via Zoom
- Two sessions: one to explore your needs, and one to provide feedback on a draft resource

This project has been reviewed and received ethics approval from the Conjoint Health Research Ethics Board at the University of Calgary (REB: 25-0784).
