

# Social Communication Study

Research Ethics Board Approval Number 1030067  
Version 3, November 16 2024

## We are seeking participants

for an online study. This study examines the language skills of typically developing children and children on the autism spectrum.

### Your child can participate if they:

- Are between the ages of 4-8 years old
- Are typically developing OR on the autism spectrum
- Speak English OR French AND another language (e.g., English & Arabic)

This study involves 2 sessions of approximately 1.5 hours each. It requires an internet connection and access to a computer or tablet. To thank you for your participation, you will receive a small compensation after each session.

For more information or to see if your child is eligible to participate please call 902-700-7442 or send us an email at

[cliclab@dal.ca](mailto:cliclab@dal.ca)

with the subject  
"Language Study".
