

## SEEKING PARTICIPANTS FOR A SURVEY-BASED STUDY !

# Help us Learn About Autistic Teens' Mental Health

### Study Title

- Autism Across Generations: Exploring the Mental Health, Camouflaging, and Lived Experiences of Autistic Adolescents with Autistic Parents.

### Purpose?

- Better understand the impact of parental characteristics on the mental health and masking of autistic teens.

### Who can participate?

- Parent-child pairs: Parent/guardians and their autistic teens/youth, ages 13 to 21, living in Canada, USA, England, or Australia.

### What's involved?

- Parent and teens will complete an online survey.
- The parent survey will take 10 minutes to complete, and the teen survey will take 15-20 minutes to complete.

### Compensation?

- Get a chance to win one of 10 \$50CAD e-gift cards
